Hi Mike,

Jeff and I would like to speak with you today or tomorrow for about 30 minutes or so. Looking at Jeff's calendar, it looks as though he and I are free at the following times today and tomorrow:

Tuesday

10-11 am, 12:30-1:30 pm

Wednesday

9-10 am, 12-1 pm

Do any of these times work for you?

Please let me know.

Thank you,

Todd

Todd, it was good to see you the other day. I wanted to let you know that as of today I have 11 companies interested in working with EPA on the Points to Consider document/process. I've listed them below. We can adjust the number, of course.

Perhaps we could chat at some point about what you would like the companies to do in the process. I've told them it would generally be a review of the document, an opportunity to comment, and then potentially have some form of "pre-submission" conference. Not all of them may have PMNs ready to go into the process, depending on when you think this might get launched. I recall you saying you wanted to launch this process in August.

You can reach me at [REDACTED], or by email. We are looking forward to working with you. Thanks. Mike
